Attachment Number 33

Inspector General's Recommendation Number 33, Page 190

Recommended DCI Action: Approve

Inspector General's Statement

Recommended that:

25X1A6a

The Director of Security re-examine the [REDACTED] Station quarters with the objective of eliminating the possibility of surreptitious entry through the glass door [REDACTED] 25X1A6a

DD/P Comment

Concur.

25X1A6a

25X1A6a

The WE Area Security Officer stationed in [REDACTED] has scheduled a trip to [REDACTED] in October. He has been requested to give special attention to the problem of potential surreptitious entry posed in the Inspector's report and to undertake such countermeasures as may in his judgment be required to protect against this defect. It is noted

25X1A6a
